

## Why ICT?

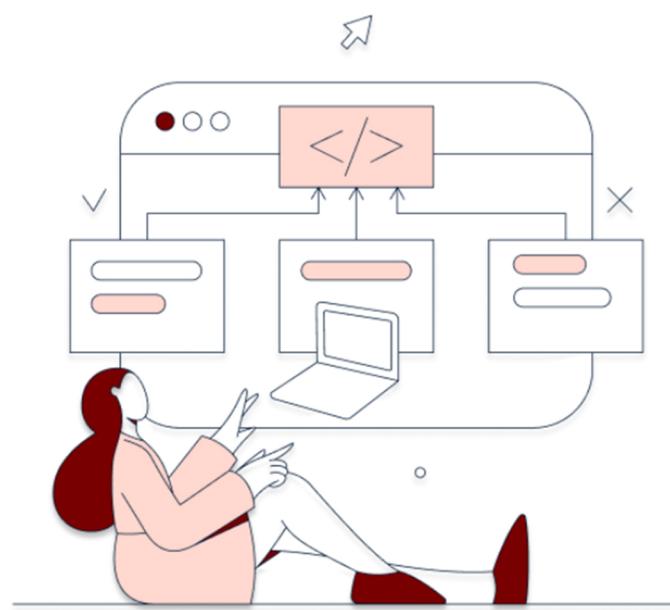

I have a great interest in studying Information and Communication in HZ University. Firstly, because I want to build a career in the field of ICT. As technology continues to advance, businesses, organizations, and governments require IT experts to manage, develop, and secure their digital systems. ICT is a lucrative job which gives you the freedom to work from every part of the world.

## My computer skills:

- Basic knowledge of working with tables
- Basic knowledge of working with a text processing program
- Ability to make presentations
- Basic knowledge of working with some programs

## Programs:

- Visual Studio
- Visual Studio Code
- Corel Draw
- Photoshop
- Lightroom

My name is

**Maria Mihailova**

I am 19 years old. I have 2 sisters, 2 cats and a dog. Also, I'm a human, a woman, bulgarian, and, I suppose, a future programmer and a millionaire.

## Extra-curricular activities

I really like to take pictures of all the beautiful things surrounding me

I also love reading. It helps me relax. But not books, I prefer manga or manhua

Everyone loves to listen to music and I am no exception

I like to draw when I don't feel like doing anything else
